LOHMAN BEATEN BY OLD MATES

Wano's Homer in Eighth Breaks Up Beautiful Pitchers' Battle Between Zeke and Rube Robinson.

BY BOB PIGUE. Zeke Lohman, Nashville right-hander, made his first effort to beat his old teammates, the Little Rook Travelers, at Russwood park Sun-day, and got along fine until the eighth inning, when the Travelers bombarded him for four runs and the game. The final score was 6 to 1.

VOLS START WELL.

The Vois scored one in the first, as did the Travelers, and from then on until the eighth it was a beautiful pitchers' battle between Lohman and Rube Robinson, the Searcy southpaw. The Rube was stingy with hits, as was Lohman, and the game looked good to go into extra rounds. But leading off in the eight, with the score standing 1-1. Wano hit the ball over the right field fence for a home run and the deciding tally. But the Travelers weren't through. They wanted to make sure they had the game won. Zoellers hit a hopper that Ballinger failed to field, and who made a bad throw to first, giving the kid a life. Robinson tried to sacrifice, but forced Zoellers at second, Lohman to Ellam. Distel then hit a terrific drive to left that bounded into the left field bleachers for a home run, scoring Robby ahead of him. Moore dropped a Texas leaguer back of second, and on the hit and run Harper shot a one-bagger to right, Moore taking third. Miller sent Wickham back to the fence to take his hoist and Moore easily scored after the catch. Calvo was thrown out by Knaupp to end the bloody frame. Knaupp opened the ninth with a single, but the next three Vois died in order.

ROBBY'S POOR DEBUT.

ROBBY'S POOR DEBUT.

In the first inning Ellam opened with a hit to right, and after Ballinger and Knaupp had died infield deaths. Dunning singled to center scoring the Volleader. The Travelers tied it in their half of the first. Distel hoisted to Burke. Moore shot a single to deep short and Ellam tried to get him at first, but threw the ball wide to first and Moore took second. Harper's single to right scored Scrappy. From then on till the eighth both clubs fought hard, but could not hudge. The Vols got only two hits, while the Travelers had but three when the fatal eighth arrived. big Sunday crowd witnessed the e. and pulled for Nashville to no

Robinson pitched great ball against roomson pitched great ball against the Volunteers, but no better than Lohman until the fatal eighth. Robby was nicked for two singles in the first inning and did not yield another hit until the seventh when Wickham dropped a Texas leaguer back of first. In the night Knaupp got a single to right, which made four safetles off the Rube.

Lohman pitched better ball than he ever showed before in Memphis, and held the Travelers at bay in every inning except the first and eighth.

In the first he was touched for two hits and one run, Ellam's error being responsible for the tally. Lohman didn't allow another hit until the sixth when Moore got a fluxy single back of short.

POOR JUDGMENT.

In the fatal eighth Lohman had Chief Wano two strikes and no balls, and then tried to slip the third strike over on him. But the chief was watching out for another one through the middle and he was ready for it, and pickled it over the right field wall. This blow unsteaded Lohman and he collapsed completely.

The crowd kept pulling for a Nashville victory, being for the under dog Minneap, 49 39 .557 Mil'kee, 40 45 .471 and also anxious to see some club stop the Travelers, who are pulling away from the hunch.

Umpire Cy Pfirman pulled a rare decision in the seventh on Bing Miller Bing hit a drive to Ballinger, who shot the ball wide to Brown. Bing was already over the bag when Brown got the ball and touched the bag with it.

The Vols attempted the double steal in the sixth with Knaupp on third and Dunning on first, but Knaupp died a horrible death at the plate, Brottem to Distel to Brottem,

Bing Miller, the league's leading hitter, again wont hitless at Russwood. He came close to getting an extra base clout in the eighth when he sent Wickham buck almost to the fence to take his drive. Bing has found the Red Elim park the most difficult to hit in that he ever saw, and he has bagged but three or four safeties this season out there.

Catcher Jonnard of the Nashville club got by with one at the expense of Umpire Jack Kerin and Third Baseman Scrappy Moore in the third Moore hit a foul back to the stands, and Jonnard caught the ball against the wire, said wire helding the pill up. Kerin couldn't see it, however, and called Moore out.

Fans in the stands were all wise.

Nobody was fined Sunday, quite a rare occurrence.

The Vois left Sunday night for Chat-tanooga where they are booked to meet the Lookouts in a series to determine the book championship.

Saily Dunning, Vol left fielder, played Distel's blow in the eighth very badly, or he would have held it to a double. He allowed the ball to hop over his head into the stands. He should have caught it. However, it wouldn't have done any good, for the game was alwards.

NEW YORK, July 19.—Jack Demposey world's champton heavyweight puglist, is not averse to fighting a negro boxer, according to an announcement here last night by the International Sporting club. In reversing his attitude on the color line, the champion stated he is ready to make a match with Harry Wills, who is acted uled to meet Fred Fulton at the Newark Sportsmen's club next Monday.

As for the colored boxers, Demposey said, "you can say for me and make it as strong as you like, that I have absolutely no armples about bexing them. After I wen the championship, Jack Kearns, my manager, contended that mixed bouts are injurious to the sport and for that reason would not consider any for me. It is different now if the press, public or promoters want me to box a negro I'll gladly take the match. That goes for Harry Wills and the rest of his like To be quite frank about it, I need the money.

All indications were that the two ball clubs would not have a chance to play, as rain had been falling all morning, and the heavens appeared as if they were going to continue weeping the remainder of the day. He will replace Zoellers, the Washington college juvenile.

PAT FLAHERTY HERE. PAT FLAHERTY HERE.

Pat Flaherty, former manager of the Mobile Bears, now scouting for the Cleveland Indians, was in Memphis Sunday and viewed the Little Rock-of Nashville game from the grandstand.

Pat has heard that there is some promising baseball talent in Southern this season, and he is looking out after Tris Speaker's interests down here. He is looking for pitchers more than anything clse, and says he has several prospects in view.

Pat says the indians are sure pennant-winners in the American league of this season unless accident overtakes them, for they are playing a great brand of ball, and are going to be hard to stop.

"Of course, there's Babe Ruth and his bat to figure on, but I think that Tris Speaker will drive in as many runs as Ruth at that, and that the Indians will beat the Yankees or any other club out for this year's pennant," said Pat.

Finherty is going down through the Texas league after he has toured the Southern. He expects to pick up sev-eral good ball players for the Indians down in the Longhorn league.

He is anxiously awaiting the time when he can resume his duties, and the way he feels about it he'd like to remove the splint and toss it into an ash can and go back playing the middle bag right now. But the club doctor says he will have to wait a while longer.

Jack is one of the most popular athletes on the ball club, and local fans will be glad to see him back on the middle cushion.

DEMPESY'S DECISION.

The decision of Jack Dempsey, heavyweight champlon of the world in withdrawing the color line and agreeing to meet negro fighters along with the whites, is a hiow to the fistic game.

The heavyweight division has caused more trouble than any other division in puglissm, mainly because there were negro fighters meeting white fighters. These matches always stir up ractal strife. When Jack Johnson defeated Jim Jeffries for the heavy weight champlonahip there were many racial disorders. Should a black man defeat Dempsey the same thing would occur. Fight fans still remember Jack Johnson and the stench that he left in the nostrils of the followers of the marquis of Queensberry game as well as the public in general.

For the good of the game and for the neace of the country at large, it is batter that a color line be established and that there be no bouts between whites and blacks.

Left there be white champions and negro champions, but no mixed bouts.
